Waverley - the easy way to raise funds

With a Waverley fundraising cruise we do most of the organising. We make the arrangements and run the cruise for you. We can even assist in promoting your unique Waverley Fundraising Cruise. Many good causes have used Waverley to raise £1,000s while giving their supporters an enjoyable and memorable experience. If you don't wish to hire the complete ship we can also offer groups of 50 or more Fundraising Tickets where a proportion of the ticket sales is given to your worthwhile cause. Waverley can earn funds for almost any organisation. Get in touch with our Group Organiser today for more details.
