“It is the most”

MAGICAL EXPERIENCE

AND I'LL NEVER FORGET IT

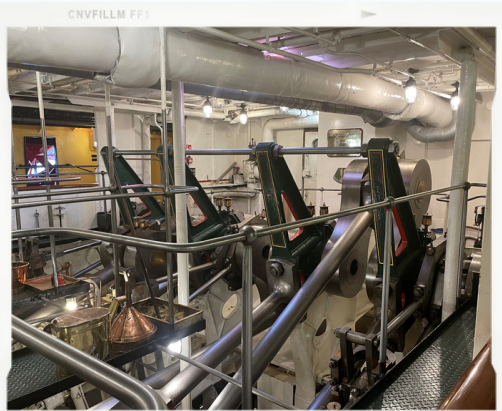

WELCOME ABOARD WAVERLEY

THE WORLD'S LAST SEAGOING PADDLE STEAMER

Waverley is one of the most familiar and admired sights around the beautiful Clyde Coast.

She is the 'Sole Survivor', the very last of the great Clyde Paddle Steamers. We invite you to step aboard this magnificent steamship for a nostalgic cruise the whole family can enjoy.

Waverley carries on the great tradition of Clyde Steamer Cruising that first began in Victorian days. Some may recall days of the past when there were several steamers operating. Younger generations will enjoy the fun and excitement of sailing aboard a great paddle steamer amid the spectacular and stunning Clyde Coast.

Waverley's Triple Expansion Steam Engine - is open to public gaze and wonderment as it drives the ship's massive paddle wheels

Once aboard you must visit the Engine Room and savour the sight, sound and armour of a real steamship - hear the telegraph ring and watch the engine start to move. You can even see the paddles turning through the portholes!

With full catering facilities available throughout your cruise you can enjoy a hot or cold snack, tea and cake in the afternoon, a hot meal in the Dining Saloon or a refreshment in one of the period lounges, but don't forget to visit the Souvenir Shop and take home an exclusive gift or memento of your trip on this famous and much loved ship.

Enjoy the stunning views of the passing scenery from the decks of Waverley

This year there are many cruises and sailing routes where children travel for just £1 - the same price paid for Waverley back in 1974. Look out for the special Pirates, Princesses and Superheroes days with prizes for best costumes.

Discounts for Seniors are available on many cruises including our popular 'Seniors Bring a Friend FREE' special offer on selected days.

NHS workers can claim a 15% discount when booking in advance online, simply enter 'NHS15' in the promotional code box and the discount is applied (except Saturdays).

Group Organisers looking for that special day out can benefit from discounts for groups of 10 or more. Waverley can also be hired for an exclusive event or even a fundraising cruise for your good cause.

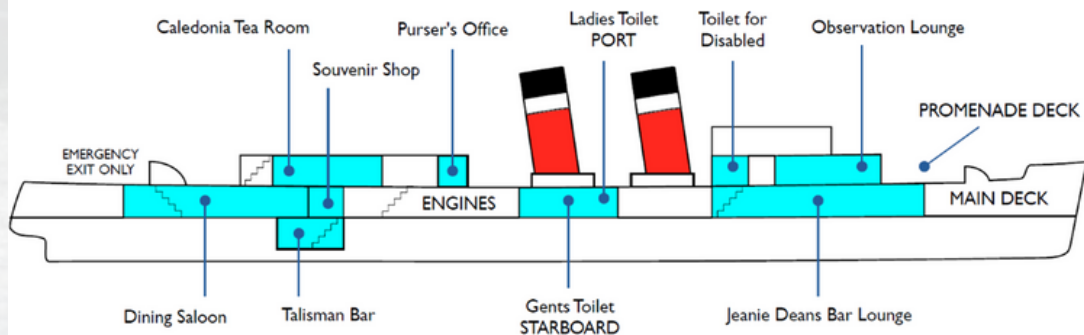

Relax in the Jeanie Deans Lounge - the ideal location to watch the spectacular coastal scenery slip past the window

We invite you to step aboard at one of the sixteen "ports of call" around the Clyde Coast. Will you journey round Ailsa Craig or through the stunning Kyles of Bute, take a cruise up the Clyde 'Fjords' of Loch Long or Loch Goil, step aboard for an evening sunset cruise, visit family favourite destinations such as Millport, Rothesay or Brodick on the Isle of Arran, or let Waverley take you to an enchanting village such as Tighnabruach or Tarbert - there is so much choice that only Waverley offers.

Tickets for all sailings can be booked in advance online at waverleyexcursions.co.uk or by calling 0141 243 2224 or purchased on board when you sail.

BECOME A FRIEND OF WAVERLEY AND HELP SAFEGUARD WAVERLEY'S FUTURE

“PRESERVE, EXHIBIT AND OPERATE PADDLE STEAMER WAVERLEY FOR PUBLIC BENEFIT”

Waverley is unique. She is the World's last seagoing paddle steamer: the sole survivor of a maritime tradition that began more than two centuries ago. As a fully operational steamship Waverley is an iconic visitor to many areas around the UK bringing a measurable economic benefit to the many towns and villages she visits. She is a living reminder of our proud industrial, maritime and social history.

For almost 50 years Waverley has operated in preservation on a 'not-for profit' basis giving millions the opportunity to travel on a seagoing paddle steamer. Only aboard Waverley can passengers admire the mighty steam engine, observe the paddles turning, hear their rhythmic beat, sense the aroma of hot oil and steam, and enjoy the stunning coastline.

Become a Friend of Waverley today and play your part in safeguarding Waverley's future. By giving a regular fixed monthly donation you will help us to keep Waverley alive, her steam engine turning, her paddles still beating. We suggest a monthly donation amount which relates to Waverley:
