WELCOME ABOARD WAVERLEY

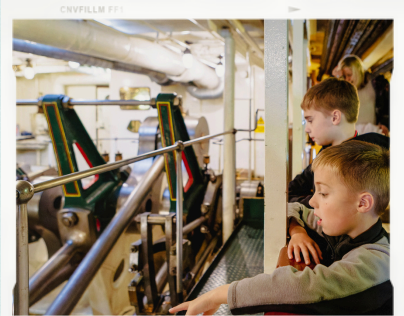

THE WORLD'S LAST SEAGOING PADDLE STEAMER

Step back in time aboard the magnificent Waverley for a nostalgic trip the whole family can enjoy. This year Waverley returns to Oban and the Inner Hebrides for only 9 days from Monday 19th May to Tuesday 27th May - book your place aboard today.

Only aboard Waverley can you view and enjoy so much of Scotland's stunning west coast from the decks of a steamship. Step ashore to explore magical islands or cruise serene sea lochs surrounded by mountainous landscapes.

With almost 80 years of history, Waverley is the "Sole Survivor", a living testament to a bygone era. Once aboard you can view the magnificent triple expansion steam engine that will leave you in awe.

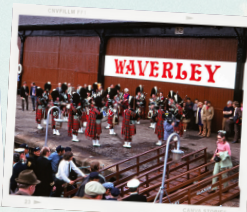

Experience the authentic charm of a real steamship as you hear the telegraph ring, witness the engine's graceful motion and sense the gentle aroma of hot oil and steam. You can even watch the paddles turning.

Waverley's Steam Engine - is open to public gaze and wonderment as it drives the ship's massive paddle wheels

1975-2025 CELEBRATING 50 YEARS OF PRESERVATION

After being gifted for £1 to the Paddle Steamer Preservation Society, Waverley has operated on a not-for-profit basis since 1975 and become a "National Treasure" carrying over 6 million passengers. Remarkably this year marks the 50th Anniversary since her very first sailing in preservation, when many at the time pondered if she could survive 1975!

HIGHLIGHTS OF WAVERLEY'S 2025 OBAN & INNER HEBRIDES SAILINGS

Each day of Waverley's Oban & Inner Hebrides 2025 sailing programme promises a unique cruising experience. The journey from Glasgow to Oban is arguably one of the finest coastal voyages by an excursion ship anywhere in the UK as Waverley sails down the Firth of Clyde, round the Mull of Kintyre before sailing north passing Gigha and Jura. After a brief pause at Crinan Waverley steams on giving views of Scarba and Kerrera.

This year sees Waverley make her FIRST EVER visits to Carbost on Skye and Salen on Mull with no less than twelve sea lochs on offer. Witness the Corryvreckan Whirlpool, cruise into Loch Hourn, Loch Broom, Loch Kishorn or steam along and view the stunning coastlines of Raasay, Staffa, Iona, and Tiree from the decks of the World's last seagoing paddle steamer.
