BRISTOL CHANNEL & SOUTH WEST WALES

Waverley operates on the Bristol Channel and from several ports of call in South West Wales from Monday 2nd to Wednesday 25th June with a variety of cruises on offer.

Take a traditional day trip to Ilfracombe in North Devon or steam all the way to Lundy where the Atlantic meets the Bristol Channel and enjoy time on this peaceful and unspoiled island.

Or join Waverley as she crosses the Channel to Minehead for the ultimate steam day out where you can take a nostalgic trip on the West Somerset Railway. Cruise the upper Channel and steam round the Holm Islands or up the calm waters of the River Severn under the Bridges.
