### 1975-2025

## CELEBRATING 50 YEARS OF PRESERVATION

After being gifted for £1 to the Paddle Steamer Preservation Society, **Waverley** has operated on a not-for-profit basis since 1975 and become a “National Treasure” carrying over 6 million passengers. Remarkably this year marks the 50th Anniversary since her very first sailing in preservation, when many at the time pondered if she could survive 1975!

## HIGHLIGHTS OF WAVERLEY'S 2025 BRISTOL CHANNEL & SOUTH WEST WALES CRUISES

This year Waverley will offer highly popular day trips to Ilfracombe as well as a wide variety of afternoon cruises on the River Severn, round the Holm Islands, and along the Exmoor and North Devon coasts.

There are three planned trips to the remote Lundy Island (3rd, 15th & 17th June) where the Bristol Channel meets the Atlantic allowing passengers time to step ashore and explore the island's unique charm.

The number of evening cruises on offer has been increased this season with the opportunity to support Clevedon Pier with a special sailing on Friday 6th June. On Monday 9th June there will be a unique evening cruise up the River Severn and under the bridges with passengers able to join at Penarth, Clevedon or Portishead.

In celebration of Railway 200, the 200th anniversary of the modern railway, Waverley will connect with three steam railways - the West Somerset, the Brecon Mountain and Lynton & Barnstaple railways giving passengers the "ultimate steam day out" by taking a trip on a paddle steamer and a steam train!

The finale of this year's south west Wales sailings takes place on Wednesday 25th June with a sailing from Fishguard, Waverley's first public sailing from the town in over 30 years!
