WELCOME ABOARD WAVERLEY

THE WORLD'S LAST SEAGOING PADDLE STEAMER

Step back in time aboard the magnificent Waverley for a nostalgic trip the whole family can enjoy.

Only aboard Waverley can you view and enjoy so much of the beautiful Firth of Clyde, perhaps the most scenic area of the UK where pleasure cruising is still possible. The variety is endless - stretches of open water, sea lochs reaching into the mountains and not forgetting the stunning Kyles of Bute!

With almost 80 years of history, Waverley is the “Sole Survivor”, a living testament to a bygone era. Once aboard you can view the magnificent triple expansion steam engine that will leave you in awe.

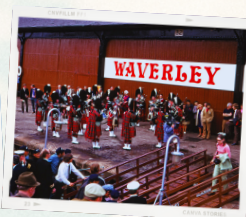

Experience the authentic charm of a real steamship as you hear the telegraph ring, witness the engine's graceful motion and sense the gentle aroma of hot oil and steam. You can even watch the paddles turning.

Waverley's Steam Engine - is open to public gaze and wonderment as it drives the ship's massive paddle wheels

1975-2025 **CELEBRATING 50 YEARS OF PRESERVATION**

After being gifted for £1 to the Paddle Steamer Preservation Society, Waverley has operated on a not-for-profit basis since 1975 and become a “National Treasure” carrying over 6 million passengers. Remarkably this year marks the 50th Anniversary since her very first sailing in preservation, when many at the time pondered if she could survive 1975!

HIGHLIGHTS OF WAVERLEY'S 2025 GLASGOW & CLYDE COAST CRUISES

This year Waverley will offer a huge variety of sailings from Glasgow and around the Clyde Coast. Throughout the main summer season from Friday 27th June to Monday 25th August you can take a traditional trip "Doon the Watter" viewing Glasgow's river. An added feature for 2025 are the River Clyde's new bridges at Govan and Renfrew, both will open to let Waverley steam through.

Join Waverley on any Saturday in summer or for an evening cruise on 18th & 22nd July, 1st, 15th & 20th August and enjoy the atmosphere in the Jeanie Deans Lounge with live music.

Don't miss the chance to be aboard Waverley to escort Cunard's latest cruise ship - Queen Anne - when she visits the Clyde on Wednesday 2nd July. This season sees four planned cruises to steam round Ailsa Craig on Monday 7th July, Sunday 27th July, Mondays 11th & 25th August or cruise round the Isle of Arran on Monday 4th August.

2025 marks the 200th anniversary of the modern railway. Waverley was built for the London & North Eastern Railway (LNER) and was the last railway steamer to be built before nationalisation came in 1948. Look out for the Railway 200 display on board telling the story of railway ships. You can enjoy cruising Waverley's original LNER route up Loch Long to Arrochar on Sunday 24th August or Saturday 18th October.
