HIGHLIGHTS OF WAVERLEY'S 2026 OBAN & INNER HEBRIDES SAILINGS

Waverley's grand return to Oban and the Inner Hebrides offers a special cruising experience among the island channels and sea lochs of Scotland's west coast. The voyage from Glasgow to Oban remains one of the finest coastal passages by an excursion ship anywhere in the UK, sailing down the Firth of Clyde, round the Mull of Kintyre and north past Gigha and Jura before continuing via Crinan towards Oban.

This year's highly anticipated programme includes a cruise to steam round the Isle of Skye, the first time ever a paddle steamer has offered this trip, along with a special cruise to visit Iona known as being 'The Cradle of Christianity' in Scotland.

Those lucky enough to be aboard can also cruise through the famous Corryvreckan Whirlpool, steam round Little Colonsay and Staffa, cruise into Loch Torridon, or visit picturesque villages including Tobermory, Salen, Gairloch or Inverie.

Waverley's week in the Highlands offers a varied series of coastal and island sailings, offering the opportunity to experience some of Scotland's most recognised scenery from the decks of the World's last seagoing paddle steamer. Join Waverley at one of several ports of call or take a connecting coach from Inverness, Glasgow or Edinburgh.

ONBOARD FACILITIES & SPECIAL OFFERS

With full catering facilities available throughout your cruise you can indulge in a hot or cold snack, afternoon tea and cake, a hearty meal in the Dining Saloon, or relax in one of the comfortable lounges.
