WELCOME ABOARD WAVERLEY THE WORLD'S LAST SEAGOING PADDLE STEAMER

Step back in time aboard the magnificent Waverley for a nostalgic trip the whole family can enjoy.

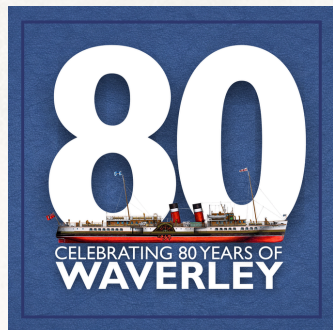

Only aboard Waverley can you view and enjoy so much of the beautiful Firth of Clyde, perhaps the most scenic area of the UK where pleasure cruising is still possible. The variety is endless - stretches of open water, sea lochs reaching into the mountains and not forgetting the stunning Kyles of Bute!

With 80 years of history, Waverley is the "Sole Survivor", a living testament to a bygone era. Once aboard you can view the magnificent triple expansion steam engine that will leave you in awe.

Experience the authentic charm of a real steamship as you hear the telegraph ring, witness the engine's graceful motion and sense the gentle aroma of hot oil and steam. You can even watch the paddles turning.

Waverley's Steam Engine - is open to public gaze and wonderment as it drives the ship's massive paddle wheels

CELEBRATING 80 YEARS OF WAVERLEY

2026 and 2027 mark two defining milestones in the story of Waverley. This year we celebrate 80 years since her launch in Glasgow on 2nd October 1946. Waverley's maiden voyage then took place on 16th June 1947 with a sailing up Loch Long and Loch Goil to Lochgoilhead and Arrochar, the route she was built to serve for the London and North Eastern Railway. As her 9th decade approaches we celebrate Waverley's humble beginnings as a steamer intended only for Clyde service but now annually visits over 70 ports and piers around the UK giving a unique steamship experience to the tens of thousands who step aboard each season.

HIGHLIGHTS OF WAVERLEY'S 2026 GLASGOW & CLYDE COAST CRUISES

This year Waverley will offer a wonderful variety of sailings from Glasgow and around the Clyde Coast. Throughout the main summer season from Friday 26th June to Sunday 30th August you can take a traditional trip “Doon the Watter” viewing Glasgow’s river. An added feature on the River Clyde nowadays is passing through the bridges at Govan and Renfrew, both must swing open to let Waverley steam through.

Don’t miss the chance to be aboard Waverley on Sunday 2nd August for the popular Steam Round the Isle of Arran, enjoying the day aboard as she circumnavigates one of Scotland’s most famous islands amidst the spectacular scenery of the Firth of Clyde.

This season sees five planned cruises to Steam Round Ailsa Craig. There are more evening cruises this year with Glasgow, Greenock, Largs, Kilcreggan, Dunoon, Millport and Ayr offerings available. Look out for sailings which see Waverley paddle to the furthest corners of the Clyde as she visits Campbeltown or sails up Loch Fyne to the village of Ardrishaig.

While Waverley offers full day trips there are one-way or shorter cruises available which may suit families.

ONBOARD FACILITIES & SPECIAL OFFERS

With full catering facilities available throughout your cruise you can indulge in a hot or cold snack, enjoy tea and cake, a hearty meal in the Dining Saloon, or relax in one of the comfortable lounges. No cruise is complete without visiting the Souvenir Shop, where exclusive gifts and mementos await, allowing you to carry a piece of Waverley’s legacy home with you.

Discounts for Seniors are available on selected cruises including our popular ‘Senior Bring a Friend for FREE’ special offer, alongside a new ‘Bring a Friend HALF FARE’ offer available on selected dates and departure points. Children (5-16) travel for just £1 with under 5s travelling FREE on all Clyde cruises.

NHS workers can claim a 15% discount when booking in advance online, simply enter ‘NHS15’ in the promotional code box and the discount is applied (except Saturdays). Group organisers looking for that special day out can benefit from discounts for groups of 10 or more. Waverley can also be hired for an exclusive event or even a fundraising cruise for your good cause.

Tickets for all sailings can be booked in advance online at waverleyexcursions.co.uk or by calling 0141 243 2224 or purchased on board when you sail.
